Dear PYEs, Pilgrims and Guides,

It's getting close to our PYE Connections Camp 22nd-24th of February. We are sending out the camp application to you via e-mail. If you can come please give us your answer quickly in terms of Friday night bussing up or if you are going by car on Saturday morning.

The Bus leaves 6.30pm Fri. Returns 4.30 Sun.

We will start **9.00am sharp on Saturday morning**. We are putting down the program in concrete. Having it set allows us to be flexible and creative. We hope to work in teams, each team taking on a particular day to be put under the microscope of your creative genius. We will share our results later with the PYE Support Committee for their input also. Your ideas are vital!

Please bring pen, paper, resources of music, devotionals, warm-up and mixer games. Anything that you think would fit the theme of each day. The skeleton for each day is in the Christmas VIA.

The brochures look fantastic and have been sent out all over the place,
Thanks to Alphonsus, Alexius and Tony and Justin.

Hope to hear from you soon, *Fr Pat*
