

UAC Under the Southern Cross:

Responding to the Signs of the Times
in the Spirit of St Vincent Pallotti

Pope Francis: *An evangelizing community gets involved by word and deed in people's daily lives; it bridges distances, it is willing to abase itself if necessary and it embraces human life, touching the suffering flesh of Christ in others.* Evangelii Gaudium #24

What is the reality of these times in
which we live?

How can we develop new missions
which 'embrace human life' and 'touch
the suffering' in others?

We hope to leave our time together feeling renewed and with concrete plans for living Pallotti's charism in 2015 and beyond.

Our days together will include time for conversation, group sharing, personal reflection and prayer, as well as input from our guest speakers and others.
